RISE UP!

Disability Resistance, History & Pride

Many of us in the disability community are unaware of the depth of our culture and history and feel shame and stigma instead of pride around our disability identities. Family, friends and human service professionals also have a lack of knowledge of disability history and struggle to find ways to support our journey to disability pride. Let's change that!

Join us for this discussion and activities that promote knowledge of disability history and support the journey to disability pride. Everyone is welcome!

This workshop is FREE; however we ask that you pre-register with Miranda at grunwellm@dnswm.org or 269-345-1516 x120.
