WHAT IS THE CORPORATE SPONSOR PROGRAM?

Disability Network Southwest Michigan's Corporate Sponsorship partners are a group of committed businesses and organizations that stand beside our vision and contribute generous and impactful sponsorships to support our organization and customers.

STAND BESIDE OUR VISION

A fully accessible community where disability is valued as human diversity and everyone belongs.

WE BELIEVE...

Disability is a natural part of the human condition.

A disability doesn't exist until someone encounters a barrier.

Partnering with others is the best way to create change.

Together we can do more.

HOW DOES IT WORK?

- Take a minute to review the sponsorship levels.
- Let us know how your business or organization would like to partner with us.
- Choose the benefits that would be most meaningful to your business or organization.

YOUR SUPPORT FUELS OUR MISSION & DRIVES OUR IMPACTFUL WORK FORWARD
