

Disability Network Southwest Michigan MOVIE + LUNCH + DISCUSSION

intelligent *lives* a film by dan habib

Intelligent Lives

From award-winning filmmaker Dan Habib comes the film *Intelligent Lives*, a catalyst to transform the label of “intellectual disability” from a life sentence of isolation into a life of possibility for the most systematically segregated people in America. *Intelligent Lives* stars three pioneering young American adults with intellectual disabilities who challenge perceptions of intelligence as they navigate high school, college, and the workforce.
