

## First Up:

### Monica & David

MONICA & DAVID explores the marriage of two adults with Down syndrome and the family who strives to support their needs. Monica and David are in love and want what other adults have—an independent life. While Monica and David are capable beyond expectations, their parents, aware of mainstream rejection of adults with intellectual disabilities, have trouble letting go.

Full of humor, romance and everyday family drama, the film uses intimate fly-on-the wall footage to reveal the complexity of their story.
